

## Innovation Summit Call for Proposals

- Hosted by [GOCS D](#)
- May 28-29th
- Branson Convention Center on the Landing
- [#GOInnovate19](#)

GOCS D is now accepting proposals for the Innovation Summit 2019. Choose from the three formats listed below and **submit your proposal by February 28th**. You are welcome to submit multiple proposals on different topics. All proposals will be evaluated by the committee using our [scoring guide](#). Presenters will be notified by the end of March. See our [Proposal Writing Tips](#) to get started. This is a great opportunity to represent your District and share your innovative and powerful strategies, programs and practices.

### 3 Formats

Click the title for more details including access to the proposal submission form.

1. [Breakout](#): These 45 minute sessions are a combination of a lecture, featuring audience participation and interaction with the presenter and/or hands-on activities. They may include multiple presenters.
2. [RoundTable Discussion](#): This is a small group of participants with a facilitator, gathering in an informal setting for an in-depth discussion on a particular topic for 1 hour.
3. [Innovative Showcase](#): These sessions are demonstration-style, delivered in an open, multi-booth environment that enables presenters to engage their audience in more intimate one-on-one and small-group conversations. Innovative Showcases may include multiple presenters, who must be from a current GOCS D District. The Innovative Showcase area will be open to visitors for 1 hour.
